Subject: Snowy 2.0 - Transmission Connection (SSI-9717) - Heritage Management Plan

Dear Mr. Snape

I refer to your request for review and approval of the Heritage Management Plan for Snowy 2.0 - Transmission Connection (SSI-9717).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of approval (SSI-9717). Accordingly, as nominee of the Planning Secretary, I approve the Heritage Management Plan (Revision 8, dated 8 July 2024) under Condition B24, Schedule 3.

You are reminded that if there are any inconsistencies between the Heritage Management Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience. If you have any questions, please contact Scotney Moore, on 02 9274 6342.

Yours sincerely
