Subject: Snowy 2.0 - Transmission Connection – Visual Impact Management Plan

Dear Mr Buttigieg

I refer to your submission requesting review and approval of the revised Visual Impact Management Plan for Snowy 2.0 - Transmission Connection. It is understood the Visual Impact Management Plan was revised to address recommendations from the recent Independent Environmental Audit.

I note the Visual Impact Management Plan has been prepared in consultation with National Parks and Wildlife Service and contains the information required by the relevant conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Visual Impact Management Plan (Rev 14, 23 July 2024).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406

Yours sincerely
